Thai Sausage

S. Khonkaen Brand

270g 900g

“
Crafted from carefully selected,
high-quality pork and encased in fresh, hygienic pork casing,
this sausage is made with lean pork and less fat
for a rich and mouth-filling taste.
It offers a pleasantly tangy flavor and, when fried,
turns a beautiful golden-yellow with a crispy outer layer.
Each bite delivers the savory taste of real pork-meaty,
satisfying, and utterly delicious.
